MEMORANDUM FOR: Chief/PAD

THROUGH: DD/PIC

SUBJECT: Joint Agreement Between the Central Intelligence Agency and the National Security Agency Concerning CIA Contract with [redacted]  
[redacted]

25X1  
25X1

1. As you know, CIA now has a contract with [redacted] to perform engineering analysis on all source data concerning the ICBM anti-ballistic missile, space vehicle and related programs of the USSR. [redacted] is being posted at [redacted] as the CIA monitor of this contract.

2. Attached hereto is the statement of work involved in this contract which I think you will find most interesting to review and perhaps retain in your files. I think it might suggest additional lines of work that we may become involved in as [redacted] carries out his new duties [redacted]. It is obvious that [redacted] will require a "T" center and abundant liaison through [redacted] with our own organization.

3. After you have reviewed this work statement, I would appreciate any comments or suggestions which you might have relative to any number of subjects such as, our own people making trips out to [redacted] retaining a desk and file for [redacted] direct secure telephone line communication with [redacted], and/or any other ideas which you or Steve might think of that would make this contract as productive as possible as far as PIC/CIA and the national interest are concerned. If you decide to keep this work statement in your files please post our office so that our records may be in balance.
